Re: Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment, WC Docket No. 17-84

Dear Ms. Dortch:

On April 10, 2017, I spoke with Nicholas Degani of Chairman Pai's office on behalf of Charter Communications, Inc. During the telephone call, we discussed municipal fees on broadband operations and the impact that those fees have on broadband deployment.

Please contact me if you have any questions regarding these matters.

Sincerely,

/s/ Samuel L. Feder
